Veritas et Utilitas.

Excellence in Truth and Service is Reflected in all that we do.

Since 1867, Howard has awarded more than 130,000 degrees in the professions, arts, sciences, and humanities. Howard ranks among the highest producers of the nation's Black professionals in medicine, dentistry, pharmacy, engineering, nursing, architecture, religion, law, music, social work, and education.

The University has long held a commitment to dismantle systems and processes that marginalize and harm people in American society and throughout the world. The goal is the elimination of inequities related to race, color, social, economic, and political circumstances. As the only truly comprehensive predominantly Black University, Howard is one of the major engineers of change in our society. Through its traditional and cutting-edge academic programs, the University seeks to improve the circumstances of all people in the search for peace and justice on Earth - Howard prepares men and women to advance social justice and the preservation of human liberty.

Regarded as one of the most prestigious institutions of higher learning, current enrollment is nearly 10,000 undergraduate, graduate, and professional students representing 45 states and territories, and 9 nations. The University continues to prepare Black scholars in every field and across the globe.
